

Donations to Highland Lakes Honor Guard (HLHG)

As a Section 501(c)(19) Veteran's Charity, all donations are tax deductible. The names of sponsors with their web site links, and the names of donors (unless requested to be anonymous) are posted here in recognition for their support of the HLHG. We also add who you wish to donate "In Honor of". Thank you for your generous support.

A Word About Donations

The Highland Lakes Honor Guard provides full Military Funeral Honors for departed veterans, as well as other services within the Highland Lakes area. We have never, and will never, charge a fee for this final tribute of respect and honor to our departed comrades. However, much as an army travels on its stomach, we, as a non-profit volunteer organization, survive through the generosity of others.

Unfortunately, there seems to be an ever decreasing number of organizations such as ours available to bestow final military rites upon our honored veterans. More often than not, we are the only working guard unit available anywhere near this area that provides full military honors. Without us, veterans in the area would more than likely be buried without this highly earned and vital recognition. It is through your support and donations, in cash or in kind, that we can prevent this from happening.

Please take another close look at our website and ask yourself how much our service is worth as we accomplish this mission. Then ask yourself, "How much is it worth to me?" We have been told time and again, face-to-face and in writing, from veterans' families and friends that the full military honors we provide for their departed loved ones are "priceless."

If after doing these things, you feel led to help us and all the veterans we serve, please consider contacting our Leaders below by telephone or just send in your donation to the addresses provided. If you feel that ours is a worthy cause but are not in a financial position to help (even small donations of \$5 or \$10 are gratefully and thankfully accepted), try to think of someone you know who might like to help and tell them about our need. We never advertise, nor solicit donations, and every dime of every dollar you give will be put towards honoring our heroic veterans with the utmost dignity and respect.

Send tax deductible donations made payable to the "**Highland Lakes Honor Guard**" to:
