“I expect to pass through the world but once. Any good therefore that I can do, or any kindness I can show to any creature, let me do it now. Let me not defer it, for I shall not pass this way again” (Stephen Grellet, French/American religious leader 1773-1855)

The rendering of Military Funeral Honors is a way to show our Nation’s deep gratitude to those who, in times of war and peace, have faithfully defended our country. This ceremonial paying of respect is the final demonstration a grateful nation can provide to the veteran’s families. The Highland Lakes Honor Guard is proud to render these services at no cost to the families of deceased veteran’s.

The Highland Lakes Honor Guard renders full military honors for each service including the display of ceremonial service branch flags, a rifle salute, the sounding of TAPS, and a fully narrated flag folding ceremony. The folded flag is presented to the next of kin at the conclusion of the ceremony.
