

Honoring Those Who Served

Military Funeral Honors:

The rendering of Military Funeral Honors is a way to show the nation's deep gratitude to those who, in times of war and peace, have faithfully defended our country. This ceremonial paying of respect is the final demonstration a grateful nation can provide to veterans' families. The tradition of providing Military Funeral Honors, in some form, began in ancient Greece and Rome. The funeral honors protocol of today traces its roots to those ancient ceremonies as well as to historical American experiences

HONORING THOSE WHO SERVED is our commitment to recognize the sacrifice and contributions of our nation's veterans.

Military Funeral Honors have always been provided whenever possible. However, federal law now mandates the rendering of Military Funeral Honors for an eligible veteran if requested by the family. Every Honor Detail will at a minimum, perform a ceremony that includes the folding and presenting of the American Flag to the next of kin and the playing of taps.

Full Military Funeral Honors include:

What is the Cost?

Military Funeral Honors, and all other services provided by the Highland Lakes Honor Guard listed herein, is provided at no cost to the family. However, if a family or organization so wishes, the Highland Lakes Honor Guard will accept an honorarium of any amount that the family or organization might wish to give. Should such an honorarium be given, it will be used exclusively to help offset the cost of providing this community service honoring our country's veterans, and is tax deductible.

General procedure for obtaining military funeral honors

Usually the funeral home director will request the military honors on behalf of the family who will verify the veteran's eligibility to receive military funeral honors. Eligibility details are described below. However, anyone can request this service including Churches, Veteran's organizations, and Family members. All that is required is some form of written verification of the Veteran's active service.

Burial Flags, also known as Interment Flags (special size 5' x 9 ½')

Burial flags are available to veterans' families at select VA offices and most Post Offices, free of charge. The Highland Lakes Honor Guard does not supply burial flags. To find out which post offices have a flag, call the U.S. Postal Service at 1-800-275-8777.

In most cases, Funeral Directors are able to obtain a burial flag with appropriate documentation, including a veteran's discharge record, a death certificate and a completed VA Form 27-2008. More information can be obtained at: http://www.cem.va.gov/burial_benefits/burial_flags.asp

Eligibility for Military Funeral Honors:

An active duty service person or in the Selected Reserve, Army Reserve, Air Force Reserve, Navy Reserve, Army National Guard, Air National Guard, or the Coast Guard Reserve at the time of death.

The Selected Reserve (also called SELRES, SR, or mistakenly Selective Reserve) are the members of a U.S. military Ready Reserve unit that are enrolled in the Ready Reserve program and the reserve unit that they are attached to. Selected Reserve members and units are considered to be in an active status.

When the term is applied to describing personnel, it is contrasted to the Full-time Reserve Unit Support (also called Full Time Support or FTS) members of the same reserve unit who are Active Duty. It is also contrasted to members of the Individual Ready Reserve who are not in active status.

A former active service member who was honorably discharged or retired. A former member of a Selected Reserve who was retired or honorably discharged or who served for at least one year.

With certain exceptions, active duty service beginning after Sept. 7, 1980, as an enlisted person, and after Oct. 16, 1981, as an officer, must be for a minimum of 24 consecutive months or the full period of active duty (as in the case of reservists or National Guard members called to active duty for a limited duration).

Active duty for training, by itself, while serving in the reserves or National Guard, is not sufficient to confer eligibility. Reservists and National Guard members, are eligible if they were entitled to retired pay at the time of death, or would have been upon reaching requisite age

A members of the military who were discharged due to injury received in the line of duty. A service man or woman who died in the line of duty

Documents Accepted:

In addition to qualifying military service, the veteran must be able to prove his or her military service. This is most commonly done with the DD Form 214, which is the record of service each military member receives upon discharge (prior to 1950, each service used its own discharge form).

Thankfully, there are other ways to prove military service for last burial rights and other veteran's benefits beyond the DD Form 214. In many cases, you can provide an Honorable Discharge certificate, retirement order, military documentation from your state if you served in the Guard, or a variety of other documents.
